1 Result

This experiment demonstrates the use of Git and LaTeX tools.

The following equation describes the relationship between energy, mass, and the speed of light:

$$E = mc^2 \tag{1}$$

As shown in Equation (1), E represents energy, m represents mass, and c represents the speed of light in vacuum.

The experimental results are shown in Table 1.

Table 1: Tool Experiment Results

Tool	Result
Git	Pass
LaTeX	Pass

As shown in Table 1, both Git and LaTeX operations were completed successfully.
